

# Quality Policy

PERI's objective is to provide goods and services to its customers on time and within budget, free of defects. In the support of this the Company operates a Quality Management System in compliance with the international standard ISO9001:2015.

With this objective in mind the senior management is committed to:

1. Making customers the focal point of all their actions
2. Having clear leadership to operate the business effectively and efficiently.
3. Engaging all staff in the pursuit of highest quality goods and services.
4. Operating with effective processes, procedures and policies.
5. Seeking and acting upon customer feedback.
6. Continually improving its products, services and processes.
7. Using accurate data and information to steer the business.

The Company will make sure that all of its employees are aware of the requirements of the Quality Management System, relevant to their role. The Company is committed to complying with all legislation and requirements specific to its business activities.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.
