

## Refurbishment Works @ University of East Anglia, Norfolk

Aspect Group Services takes pride in the successful refurbishment of UEA student accommodation, a transformative project designed to elevate living standards across the campus. Our commitment to excellence shines through in the meticulous modifications to kitchens, the reinstatement of common rooms, and the comprehensive refurbishment of kitchens, bedrooms, and bathrooms.

One of our major successes lies in adhering to strict timelines. The project was completed on schedule, aligning perfectly with the academic calendar. This ensured zero disruption to student life, allowing them to return to upgraded, comfortable living spaces.

The project stands as a testament to our dedication to quality and efficiency, meeting all predetermined KPIs with flying colours. Effective financial management was a pivotal KPI, and we're proud to highlight our success in this regard. The refurbishment was executed within the allocated budget, showcasing our commitment to transparency and efficiency.

In conclusion, Aspect Group Services not only met but exceeded expectations in the UEA student accommodation refurbishment, providing a shining example of our dedication to quality, precision, and client satisfaction.
