- To prevent accidents and cases of work related ill health
- To maintain safe and healthy working conditions; and
- To review and revise this policy as necessary at regular intervals

Signed:

Kerry Soutar – Director Date 08/01/2019

Risk assessments and Method statements

I.R.I.S. carries out site specific risk assessments for all jobs undertaken and provides a method statement detailing the job from arriving on site through to completion.

The risk assessments and method statements are provided by IRATA qualified and task experienced operatives. This ensures that works are not only carried out in the safest way but the methods are also efficient, true and realistic.

Training

I.R.I.S. is committed to maintaining the highest level of training for its operatives and keeping up to date with new techniques and tools. We are always looking at new methods and materials to provide the most efficient and safest ways of carrying out the works.
