

HEALTH AND SAFETY POLICY STATEMENT

This policy statement is produced in accordance with the responsibilities of under Section 2(3) of the Health & Safety at Work etc. Act 1974.

FerroStrada Ltd. considers that the Health and Safety of employees, visitors, contractors and members of the public is of paramount importance.

Directors of FerroStrada Ltd. are responsible for ensuring compliance with current legislation and company procedures and for organising, planning and providing sufficient resources for these requirements. The company is committed to providing safe and healthy working conditions for the prevention of work-related injuries and/or ill health by looking to eliminate hazards and reduce occupational health and safety risks.

This is achieved by adopting the FerroStrada Ltd. Management System that has been developed in accordance with the requirements and principles of ISO 45001:2018 and provides a framework for setting out appropriate health & safety objectives.

Management at all levels at FerroStrada Ltd. has a responsibility, so far as is reasonably practicable, to ensure the Health and Safety of all its employees while at work, and members of the public, visitors and contractors whilst on its premises and in accepting this responsibility will:

- Provide adequate control of the health and safety risks arising from work activities
- Consult with employees on matters affecting their health and safety
- Provide and maintain safe plant, equipment and vehicles
- Ensure safe handling and use of articles and substances
- Provide adequate information, instruction and supervision for employees
- Ensure all employees are competent to do their tasks, and to give them adequate training
- Prevent accidents and cases of work-related ill health
- Maintain safe and healthy working conditions
- Review and revise this policy as necessary at regular intervals
- Work to continuously improve its OH&S management system
- This Policy is communicated and made available to all company personnel, supply chain, members of the public and other interested third parties.

The Company Management System is continuously reviewed for effectiveness and suitability by the Directors.
