## Scope

This policy applies to Portakabin everywhere we do business and interact with society

## Policy Statement

Portakabin has one simple vision for Health Safety and the Environment: Zero Harm.

Our **Commitment** to Health, Safety and the Environment is a fundamental and integral part of how we manage our business. We commit to providing safe and healthy working conditions for all our employees and anyone carrying out activities on our behalf

Through **Teamwork** we engage our employees, suppliers and customers to ensure that we work together in partnership to deliver products, services and systems of work that embrace Zero Harm at their core.

Through **Innovation** we inspire continual improvement and set high expectations for sustainable health, safety and environmental performance, and to continuously look to eliminate hazards and reduce to risks to our people and the environment.

Through **Integrity** we encourage open reporting and idea sharing, consultation and participation is undertaken with our employees, and their representatives whenever necessary, to ensure that we achieve a safe working environment for all.

## HSE Aims are simple:

- To treat legal and industry standards as a minimum through our commitment to, and compliance with, all relevant Health, Safety and Environmental legislation and best practice as we are recognised as an industry leader
- Behave with integrity and carry a Don't Walk By attitude to continuous improvement by adhering to and reviewing our policies, procedures and safe systems of work on a regular basis as defined in our procedures and by setting objectives & targets annually
- Use Zero Harm as a guiding principle in Environmental Management, Responsible Business Approach and pollution prevention.
- Deliver A Safe Day, Every Day
