

FOOD SAFETY & QUALITY POLICY STATEMENT

Wicks Manor is dedicated to the production of safe, quality food produced from animals born and reared on our farm, our Wicks Manor finishing units, or from other Red Tractor Assured British Farms

Wicks Manor is committed to creating a brand that can be trusted by all of our stakeholders.

This will be achieved by the commitment of the management team to:

- The quality systems that have been deployed in accordance with food quality, hygiene and safety regulations. This includes the company's commitment to maintaining the quality management system.
- In maintaining and achieving our own procedures and quality control standards in line with the Safe and Local Supplier Assurance (SALSA) Standard.
- Our employees, by ensuring that training and supervision is always commensurate with their duties so they are competent to work with the quality system procedures.
- Our consumers, by producing a consistent quality product.
- Our customers, by consistently meeting and exceeding their needs and developing a partnership approach to benefit both parties.
- Our suppliers by developing long term relationships creating shared benefits.
- Continually improve, by actively using information generated by the feedback mechanisms in place.
