

## QUALITY POLICY

Wernick Buildings aim is to ensure that the needs of our customers are clearly understood and met through close interaction at all stages of our work.

Wernick Buildings will provide for its customers, products which are fit for their intended purpose and designed, manufactured and delivered in complete conformance with the customer's requirements.

Ultimate responsibility within the company rests with the Managing Director; who is responsible for all matters pertaining to the Quality Management System. This Quality Policy drives continual improvement in the company's quality management activities, and business will be conducted according to the following principles.

We will:-

- Comply with all applicable statutory laws and regulations;
- Follow a concept of continuously improving the effectiveness of the Quality Management System and make best use of our management resources in all quality matters;
- Set measurable objectives and communicate our performance against these objectives throughout the company and to interested parties;
- Take due care to ensure that activities are safe for employees, associates and subcontractors and any interested parties that come into contact with our work;
- Work closely with our customers and suppliers to establish the highest quality standards;
- Adopt a forward-looking view on future business decisions, taking into consideration our internal and external factors which could have an impact on our Quality Management System;
- Train our staff in the needs and responsibilities of Quality Management and provide the personnel, resources, infrastructure and a suitable environment to ensure that the importance of meeting and exceeding customer requirements is understood and communicated throughout our organisation;
- Conduct all work to a high professional standard with technical and commercial integrity.

To supply our customers with the products and services they require, we have developed a Quality Management System which fully conforms to ISO9001:2015

This Policy, company objectives and the Quality Management System will be reviewed for continuing suitability and effectiveness at Management Reviews and as required and appropriate.
