

Environmental Policy

This document describes CI.Connect Ltd policies and procedures for conducting their operations and activities in an environmentally responsible and sustainable manner.

CI.Connect Ltd is committed to protecting the environment by conducting our operations and activities in an environmentally responsible and sustainable manner.

We are committed to complying with all applicable laws and regulations.

We recognise that reducing and, where possible, eliminating the environmental impacts of our activities is an important part of our business model, as a result we do not unless specifically requested send out hard copy invoices and all of our invoices are sent electronically.

The CI.Connect Ltd guiding principles and practices to achieve resource conservation, waste reduction, and sustainability overall are summarised below:

- Comply with mandatory requirements and conduct our activities and operate our facilities within applicable environmental laws and regulations;
- Conserve energy and other natural resources;
- Encourage employees to use mass transit;
- Reduce, reuse, and recycle to reduce waste;
- Minimise the production of hazardous waste;
- Adopt green procurement practices;
- Continue to review and minimise the impacts of our activities.

All of the above principles are enforced by the management of CI.Connect Ltd.
